WKC NEWS BULLETIN – JULY 2017 NO.629

Breeder Notes

"Kelpies for Cattle Work". Reference to a dog's ability to work cattle does not mean it works like a true cattle dog [heeler]. Kelpies can and do handle cattle successfully in a sheepdog like manner. Registration:- The parents of the stock listed are registered to either the National Stud Register of purebred Kelpies {reg. number= series of numerals only} or to the Appendix {reg. number starts "A". A3 or AM3 = minimum of 3 generations of recorded breeding. A2 = 2 generation, A1 = 1 generation, AF = Foundation no background breeding. Please note:- The listing of stock for sale in this section is restricted to Breeders currently listed on the WKC Breeders' Directory. WKC GUARANTEE means guaranteed under the terms drawn up by the WKC for its members. Disclaimer: Because of the obvious impossibility of ensuring that the advertisements below comply with the Trade Practice Act 1974 the WKC accepts no responsibility for statements of opinions expressed by its breeders.

LE CLIFF KELPIE STUD DISPERSAL SALE, Sunday28th May 2017

Venue: " Brookside", 27883 Tasman Highway, Pyengana Tas. 7216.

Dogs will be demonstrated 11am. To 2p. and sold to best offer above a very reasonable reserve. All dogs (11) and several pups available for sale except 1 aged male and one young bitch.

Le Cliff Kelpie Stud obtained the first of a number of dogs from the Liscannor Stud in 1969, bred its first litter by Karrawarra Peter (7433) 11.2.71, also obtained a very good female from the Glenville Stud ,Glenville Silver (A3F-532-76),latter a son of Scanlons Butch (Liscannor Ross 7309) was also used. In recent years several outside dogs have been used and pups obtained from outside bitches mated to Le Cliff bred dogs.

Dogs currently at stud would all trace back strongly to these dogs.

Having sold my farm several years ago ,I now find with advancing age I have not enough work , time or energy to obtain the full potential from my dogs so will scale back to 2 dogs to work in competitions 3 sheep trials and yard events.

For further information I can be contacted Phone 03 63736149 or email (lanceclifford@ipstarmail.com.au)
