BINNABURRA STATE YARD AND UTILITY. August 17th -20th.

The annual State Yard and Utility Championships were held this past weekend at the Curtis's property "Binnaburra". As usual it was a fantastic trial with a great atmosphere and the hospitality was exceptional. The sheep we used were the same sheep we had a few weeks ago for the annual Binnaburra trial. They were once again challenging sheep and this brought out the best in the dogs which made for a very compelling and competitive trial.

This is the 25th year Gordon and Sara Curtis have run Yard and Utility trials on their property. It is a mighty effort. The weather was exceptional throughout the event, cool mornings and cold nights followed by warm afternoons with very little rain.

Huge thanks to the judges for donating their time to judge each event in turn and even bigger thanks to the Curtis family for backing up with another great event.

\Congratulations to all the winners and especially to Nigel Armstrong who will once again represent WA at the national yard championships next year after winning the state Open Yard with his dog Jude.

P.S the National Yard Championships will be held in WA next year at Dinninup in the State's South West at the beginning of May we hope to make this an awesome event showcasing some of the best yard dogs in Australia. WA will also host the National Kelpie Field Trial at the end of April at Arthur River.
